

2022-2023 AllPeopleBeHappy Fellows

Qaasim Ali was selected as a 2021-2022 *AllPeopleBeHappy* Fellow, working with **Collateral Repair Project (CRP)**, a non-profit organization working to serve refugees in Amman, Jordan. Originally founded in 2006 to aid Iraqis fleeing sectarian violence, CRP has now expanded its work to serve Syrians, Somalis, Sudanese and Yemenis displaced by conflict. Qaasim is serving in the role of Youth Officer. In that capacity, he is in charge of providing 18 sessions of on-line programming for teens, teach English classes, work on after-school club and summer camp, train new volunteers, and cooperating with the Monitoring and Evaluation team to do assessments. In late 2022, Qaasim was awarded a second Fellows grant as a 2022-2023 *AllPeopleBeHappy* Fellow.

In mid-2022, the *AllPeopleBeHappy* foundation awarded a Fellows grant to **Katya Diaz Salcedo**, working with **Green Empowerment (GE)** in Peru. As the Program Coordinator for Peru and Bolivia, Katya's assignment is to 1) coordinate with GE's partners – Energy, Environment & Sustainability (EA&S) and Water for People (WFP), 2) manage GE's portfolio of projects in watershed conservation and solar water pumping, 3) translate GE's documents into Spanish, 4) do research and analyze 5 potential partners, and 5) participate in GE hosted technical training. By March of 2023, hand in hand with local partners, she has identified a total of 9 proposals in Peru and Bolivia and is working on securing financing for these projects.
